Headache Ice Pillo

- Helps relieve headaches and neck stiffness.
- Uses medically accepted cold therapy.
- Clinically proven.
- Designed to support your neck and head in their most natural positions.
- Great for travel.

Now you can treat headaches using a natural and proven alternative to drugs or medication. The Headache Ice Pillo uses time-honored and medically recommended cold therapy in treating dull, moderate and severe headaches, like migraine and tension headaches.

This pillow uses a unique, compact design to help relieve headaches by providing support to your neck while sleeping or resting. An anatomically designed, soft-frozen gel pack can be inserted into the pillow for added relief. Great for travel, reading or sleeping, this pillow also can provide relief from pinched nerves, stiffness, sprains, neck injuries or other traumas. The gel pack stores in your freezer until needed.

Leg Spacer

- Helps relieve pressure and strain on lower back, knees and ankles.

- Helps relax muscles.

- Moves with you when you turn over.

The Leg Spacer® was designed to help relieve pressure and strain on the lower back, hips, knees and ankles while you sleep. The design accomplishes this by helping keep your legs aligned with your spine.

The contoured design of the Leg Spacer helps the pillow move with you when you turn over, giving you uninterrupted sleep. It fits comfortably between your legs keeping them in line with the spine. This relieves pressure on the spine and nerves.

The pillow is constructed with high-quality polyfoam with a variety of cover choices from a soft fleece cover to no cover at all.

While lying on you side, place the Leg Spacer between your legs just above the knee.
