

Meet the Doctors

Dr. Andrew Heiser, D.C.

Dr. Heiser has been freeing people from pain since 2005. Whatever your health problem, he is known for his positive, enthusiastic approach to correcting the cause of your condition and educating you on how to avoid, or minimize, future problems. Dr. Heiser brings a soft, gentle chiropractic technique to the practice. He works closely with you, explaining your condition and an appropriate plan for your recovery. Your lifestyle, schedule, and budget are respectfully considered in his effort to reserve your quality of life.

Dr. Heiser graduated with a Doctor of Chiropractic (D.C.) Degree from Cleveland Chiropractic College and a Bachelor of Human Sciences Degree from the University of Central Missouri.

Dr. Mark Ditzenberger, D.C.

Dr. Mark graduated from Cleveland Chiropractic College in August of 2004. Since graduation, he has practiced in multi-specialty clinics in the St. Louis and Kansas City areas, working side by side in clinics with Medical Doctors, Physical Therapists, Anesthesiologists, and other Chiropractic Physicians. He is licensed in Missouri and Iowa, and is board certified by the National Board of Chiropractic Examiners.
